Volunteers needed for our shows and Event Series

Parents: please volunteer as we need more adults than we do kids.

Please put on your calendar our dates for farm cleanups and our event series. It's a big place and home to many horses. We appreciate it when people help to make the barn beautiful and safe and help out to make our events successful. These events are what help to pay the insurances, taxes, fencing and extra projects that are inevitable.

Clean up days: Saturday April 8th and April 22nd

Will get a poster up with details

Event Series set up days: April 22nd, May 6th, June 3rd, July 15th, August 18th, September 8th

Event Series dates: April 23rd, May 7th, June 4th, July 16th, August 19th and September 9th

Please mark your calendars.... Many hands make work light and everybody enjoys a beautiful barn and the smiles on competitors faces.

I will be putting out a signup sheet so people can plan.

Summer Day Camp programs are open Forms and details are in the viewing room and online

The day camp program is designed for all ages and levels. The riding groups will be divided up by ability and lessons will go accordingly.

There will not be a work to ride program for those who do not want to participate in the day camp. We do not have the horses to do this. If you'd like to have a lesson during the day it needs to be scheduled ahead and costs \$40. For a group. If you are going to hang out for the day then we will expect you to help out in the barn. Hanging out and helping will not constitute a free ride or a lesson. As we get closer we may schedule a few helpers depending on the size and level of campers.

July 10th -13th we will be running an Event Camp with Suzi Gornall, Christina Keim and TBA-Details to follow

We do a lot of communication through our **Facebook pages** so please either Like or join the pages. We have:
